

All God Wants

All God wants is for His Created Souls to follow the two greatest commandments.

Mark 12:28b-32

Which is the first commandment of all? And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord: And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these. And the scribe said unto him, Well, Master, thou hast said the truth: for there is one God; and there is none other but he:

Understand the purpose of negativity, the purpose it serves in life.

Avoid judgement and love for oneself (ego), and establish love for all of humankind because we are all connected. We are all one.

1Co 12:12

For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ.

Luke 23:34a

Then Jesus said; Father, forgive them; for **they know not what they do.**

Isiah 1:18 Come now, and **let us reason together, saith the LORD:** though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.

A soul is in their own life. Living life in their own freewill way. God is allowing it because it is part of His Plan. Questioning events that go on in the world is like saying the Creator has no control, or doesn't know what is happening next. Questioning God is a faith and trust and issue.

Have faith and trust knowing God's love for you is at all times and is eternal. If the appearance is of something different, question yourself, not God. Any thought processing that is not in the framework of love, it is not in truth.

The eternal expanse of Creation is within His self. It allows His self to live love through His Creation, with full control; yet His Creation has life to freely live through Him, (if they so choose), in their own "time", or freely choose to live through the flesh.

Humankind with total freewill decides how much love flows from the soul back to God. God's love never changes with His souls. Obviously, God would want a 100% return on love because, "For I am jealous over you with godly jealousy:" (2Co 11:2a)

These words are from Paul. He had a jealousy he learned from Jesus. Jesus has a jealousy over all His souls.

The purpose of the flesh is for experiences, keeping apprised at knowing there is only one God, and the soul through awareness denies the god within itself.
